## NOVEMBER & DECEMBER 2018

Welcome to our new Bylaw/Pest Control Officer,  
Kurtis Klein, who started on October 15<sup>th</sup>.

As most of you know by now we have a new  
garbage collection contractor,  
GFL Environmental Inc.

- Garbage pickup is on Wednesdays now.
- GFL will be distributing garbage bins to each address on October 29 & 30. Each bin has a serial number that is linked to the address it belongs to.
- Only garbage placed in the bin *provided by GFL* will be picked up.
- Ensure that the lid is closed and the bin is placed on the curb and visible to the driver.
- STARTING WEDNESDAY, OCTOBER 31<sup>ST</sup>, GARBAGE PICKUP WILL CHANGE TO FRONT CURBSIDE PICKUP.

*TIP: If not using bags for garbage disposal please put some lime in the bin to prevent the garbage from sticking to the bin. Lime can be purchased at the UFA.*

Last day for 2018 compost collection is Wednesday,  
October 31<sup>st</sup>! Weather permitting, of course...

**Once snow is on the ground (and stays) Public Works will be out clearing the streets. Maintenance signs will be put up in the areas that the crew will be working on. However, there may be times when snow clearing is completed ahead of schedule and move on to another section of town without ample warning. If you see the snowplow and trucks working in an area, please ensure that your vehicle is off of the street and if possible, avoid the area completely until the crew is done. Please respect the space required to do the work and keep the streets in good winter driving conditions for everyone's safety.**

The electronics recycling bin is located at the Town Public Works Shop. Drop off your TV, computer, laptop and printer at this location Monday through Friday from 8 am to 4 pm.

**Free

Would you like to receive your water bills via email? Then send an email to [info@townofprovost.ca](mailto:info@townofprovost.ca) with your account number and name. That way, we will have your correct email address on file!

We do our best to apply payments to the correct water accounts. Each piece of property has its own account(s) based on the tax roll number of the property. If you have moved from one property to another property, your account number will have changed. Please ensure that you send the correct information when paying your bills online.

Anyone interested in paying their taxes monthly by EFT must have their banking information and the necessary documents signed by December 14<sup>th</sup>, 2018 for payments to start January 1<sup>st</sup>, 2019.

We also offer a tax installment plan using post-dated cheques dated for the 15<sup>th</sup> of every month. We would require the documentation by December 14<sup>th</sup>, 2018 for payments to start January 15<sup>th</sup>, 2019.

Please note that only the **CURRENT** year can be used for both installment plans. Any arrears or outstanding tax balances **MUST** be paid prior to setting up a monthly tax installment plan.

For those not on the installment plan, we do offer a 5% discount when you **PREPAY** your taxes in January. The amount is based on the previous year's levy.
